*5/29/2003*

Hello Jim:

On May 27, 2003, we received an archaeological report from Barbara Frank of Intersearch. The report was performed for Sandy Nell's proposed small mining project known as the Sandy Wash, located in Beaver County.

Ms. Frank's report stated no cultural resources were observed within the proposed mining area.

Please forward your conculatation of this report for our files.

Thank you,  
Joelle
